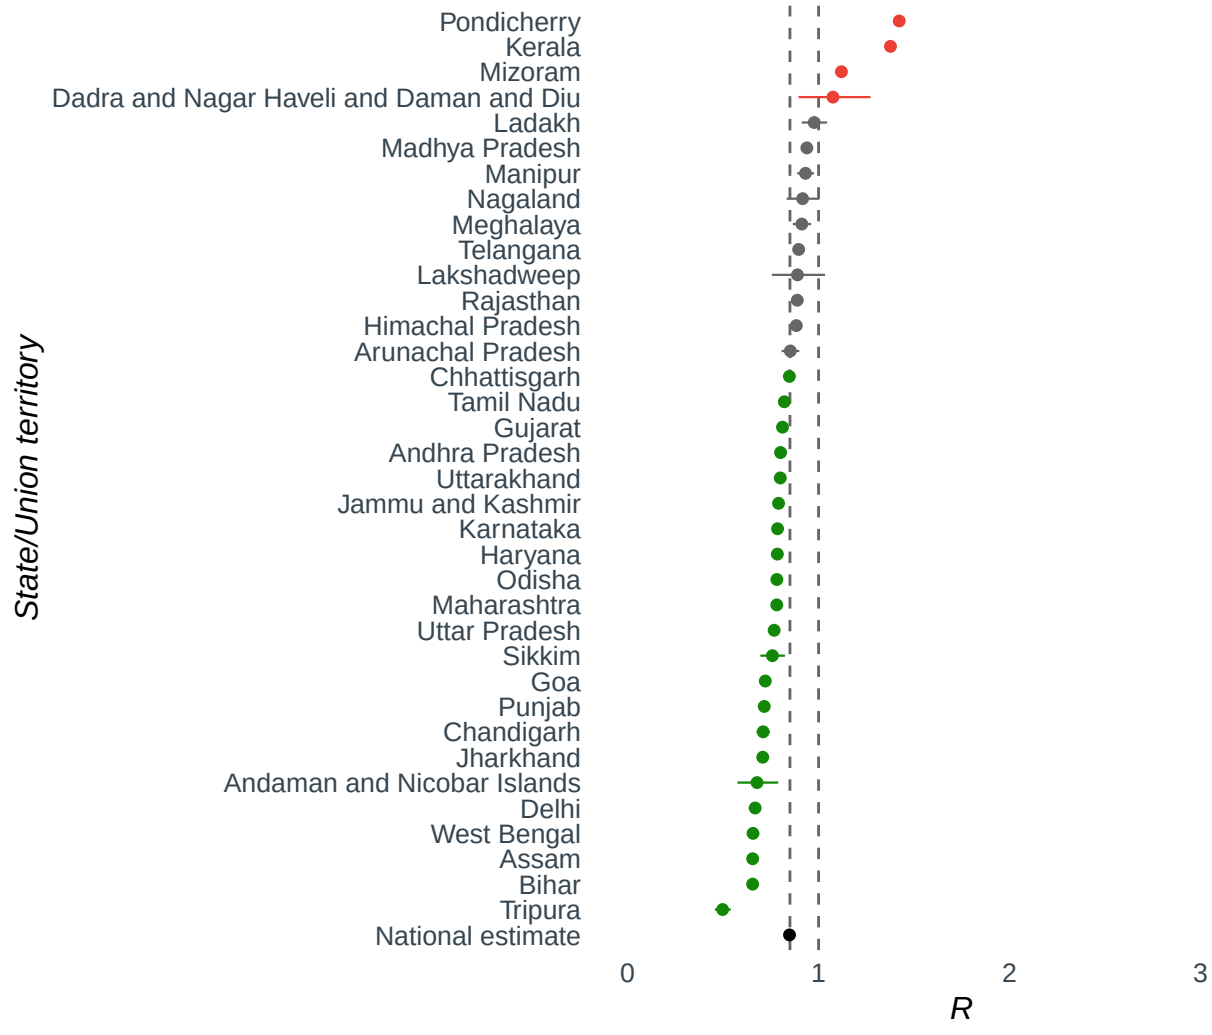
R for COVID−19 in India by state/

as of February 6



© COV−IND−19 Study Group

Source: Up to 10/17/2021: covid19india.org. After 10/17/2021:

Note:

− Average estimate and 95% confidence interval for last 7 days

− Colored red if estimate is above 1 and green if below 0.85.

− R values are not reliable when case counts are below 100.
