

R for COVID-19 in India by state/union te

as of March 31

© COV-IND-19 Study Group

Source: Up to 10/17/2021: covid19india.org. After 10/17/2021: count data (modified)

Note:

- Average estimate and 95% confidence interval for last 7 days are provided in the table.
- Colored red if estimate is above 1 and green if below 0.85.
- R values are not reliable when case counts are below 100.
